griffin craft d 1689 and his family emigrated in 1630 from england to roxbury massachusetts
he married twice once in england descendants lived in new england new york ohio illinois
kansas michigan wisconsin and elsewhere includes some ancestors in england

novel craft explores an intriguing and under studied aspect of cultural life in victorian england
domestic handicrafts the decorative pursuit that predated the arts and crafts movement talia
schaffer argues that the handicraft movement served as a way to critique the modern mass
produced commodity and the rapidly emerging industrial capitalism of the nineteenth century
her argument is illustrated with the four pivotal novels that form her study s core gaskell s
cranford yonge s the daisy chain dickens s our mutual friend and oliphant s phoebe junior
each features various handicrafts that subtly aim to subvert the socioeconomic changes
being wrought by industrialization schaffer goes beyond straightforward textual analysis by
shaping each chapter around the individual craft at the center of each novel paper for
cranford flowers and related arts in the daisy chain rubbish and salvage in our mutual friend
and the contrasting ethos of arts and crafts connoisseurship in phoebe junior the domestic
handicraft also allows for self referential analysis of the text itself in scenes of craft
production and destruction the authors articulate the work they hope their own fictions
perform the handicraft also becomes a locus for critiquing contemporary aesthetic trends
with the novels putting forward an alternative vision of making value and understanding art a
work that combines cultural history and literary studies novel craft highlights how attention

to the handicraft movement's radically alternative views of materiality, consumption, production, representation, and subjectivity provides a fresh perspective on the major changes that shaped the Victorian novel as a whole.

Another murder mystery for the Bargain Hunters Network. Only this time one of them is a suspect. Ginger and her husband Earl are in for a wild ride in Calamity, Nevada, along with the other BHN ladies: college student Kindra, mother of four Suzanne, and sassy senior Arleta. They came to town for the Invention Expo and some outlet shopping, but instead they endure lost luggage, broken air conditioning, and a long line of people angry at hotel owner Dustin Clydell. With the Invention Expo and the Squirrel Lovers Convention both in town, the Wind Up Hotel has somehow overbooked. Before the night is over, a man has been found dead in a teddy bear costume. The Invention Expo has been canceled, Binky the water skiing squirrel has gone missing, and the authorities want to talk to one of the BHN ladies. What else could possibly go wrong? Once again, the Bargain Hunters Network swings into sleuth mode to solve the murder, and this time clear one of their own. Along the way, Ginger discovers something even better than a bargain.
