this volume pursues a new line of research in cultural memory studies by understanding memory as a performative act in art and popular culture the authors take their cue from the observation that art and popular culture enact memory and generate processes of memory they do memory and in this doing of memory new questions about the cultural dimensions of memory arise how do art objects and artistic practices perform the past in the present what is their relationship to the archive does the past speak in the performed past or do we speak to it to what purpose do objects recall and for whom do they recollect here authors combine a methodological focus on memory as performance with a theoretical focus on art and popular culture as practices of remembrance the essays in the book thus analyze what is at stake in the complex processes of

remembering and forgetting of recollecting and disremembering of amnesia and anamnesis that make up cultural memory

this unique and brilliant book is a history of human knowledge before the invention of printing a trained memory was of vital importance based on a technique of impressing places and images on the mind the ancient greeks created an elaborate memory system which in turn was inherited by the romans and passed into the european tradition to be revived in occult form during the renaissance frances yates sheds light on dante s divine comedy the form of the shakespearian theatre and the history of ancient architecture the art of memory is an invaluable contribution to aesthetics and psychology and to the history of philosophy of science and of literature
