captain shane schofield and his elite team of marines is about to discover

there is no hell like a man made one it is an island that doesn't appear on any maps a secret location where the government conducts classified experiments experiments that have gone terribly wrong when all contact with the mysterious island is suddenly and inexplicably lost captain shane schofield and four crack special forces units parachute in nothing prepares them for what they find the island is a testing ground for a deadly breed of genetically enhanced supersoldiers you could say they've just entered hell but this place is much much worse

a kingdom of water is a study of how the Houma nation in Louisiana successfully navigated a changing series of political and social landscapes under French Spanish British and American imperial control between 1699 and 2005 after 1699 the Houma assimilated the French into their preexisting social and economic networks and played a vital role in the early history of Louisiana after 1763 and Gallic retreat both the British and Spanish laid claim to tribal homelands and the Houma cleverly played one empire against the other in the early 1700s the Houma began a series of adaptive relocations and just before the Louisiana Purchase in 1803 the nation began their last migration a journey down Bayou Lafourche in the early 1800s as settlers pushed the nation farther down bayous and into the marshes of southeastern Louisiana the Houma quickly adapted to their new physical environment after the Civil War and consequent restructuring of class systems the Houma found themselves caught in a three-tiered system of segregation realizing that education was one way to retain lands constantly under assault from trappers and oil companies the Houma began their first attempt to integrate Terrebonne parish schools in the early twentieth century though their situation was not resolved until five decades later in the early twenty-first century the tribe is still fighting for federal recognition

after their thrilling exploits in Matthew Reilly's bestseller *Seven Ancient Wonders* super soldier Jack West and his loyal team of adventurers are back and now they face an all but impossible challenge for a mysterious ceremony in an unknown location has triggered a catastrophic countdown that will climax in the destruction of all life on earth but there is one last hope if Jack's team can find and rebuild a legendary ancient device known only as the Machine they might be able to ward off this coming Armageddon the only clues to its location however are held within the fabled six sacred stones long lost in the fog of history and so the hunt begins from Stonehenge in England to the deserts of Egypt to the spectacular Three Gorges region of China the six sacred stones will take you on a non-stop rollercoaster ride through ancient history modern military hardware and some of the fastest and most mind-blowing action you
