milestones the building blocks of our lives they make us who we are and who we become a milestone is a great achievement in life that cannot be forgotten one way that will be accomplished is by saying goodbye to the past and hello to the future no one ever successfully drives forward looking in the rear view mirror this in itself is a major accomplishment letting go of what is behind of the old life and pressing forward and walking into what lies ahead in christ jesus some typical examples of milestones are when one learns how to drive graduates from school leaves home for the first time marriage a first child a first job getting saved and for some it could even mean the first day sober there are three components that make up milestones the spoken word of god the empowerment of the holy spirit and substituting thinking changing the way we think this workbook will not just help you to take the right steps towards lasting recovery from addictions but it will create crucial landmarks in your life s journey so that you will become full of god s faith and power to venture on into your destiny milestones can be used for individual or group growth some may just want to work it alone as a personal reflection tool to solidify their faith but most will benefit from working it together in a support setting where the milestones can be discussed in depth people who are in codependent relationships will
